Hello Fayette County!

Happy September! We hope everyone had a great summer! We had a great time at our county fair, teen conference, 4-H camp (where we brought a record breaking number of people!), cloverbud camp, and the state fair! We also are a fully staffed team once again, with new 4-H agents **MG Cooke & Ally Keeton** joining back in June! MG & Ally's intros will be on the next page.

We are so excited to be back in schools and to begin clubs soon! **September 5th** will be the date you will be able to sign up for clubs and programs. Please remember you must enroll your child through 4-HOnline before you register for clubs. **More detailed information on registration will begin on page 3 of the newsletter.**

Please don't hesitate to reach out with any questions. We are so excited for the new year! Throughout this newsletter you will find information for our clubs, as well as pictures and information from teen conference, camp, and our county and state fair!

The Fayette County 4-H program is a branch of the Fayette County Cooperative Extension Service that focuses on youth development. Our office is also the host of many programs that are geared towards adults. We highly encourage you to check out our website (fayette.ca.uky.edu) to see what other programs are offered for the whole family!

with prior notification.

Hi! I'm Allison Keeton, the one of the new 4-H Extension Agent in Fayette County. I'm a proud graduate of Morehead State University, where I earned my degree in Agriculture Education and Agribusiness. During college, I had the wonderful opportunity to serve as a UK Extension Intern in Elliott County for two summers, and I also gained valuable classroom experience as a student teacher in Menifee County.

I'm incredibly excited to be part of the Fayette County 4-H team! My passion for 4-H runs deep—I was actively involved as both a youth member and an adult volunteer in Morgan County. I'm looking forward to bringing that passion and experience to serve the youth and families of Fayette County.

Hello! I'm MG Cooke, a new 4-H Extension Agent in Fayette County! I went to Berea College and received a degree in Education along with minors in Appalachian Studies and Theatre, and have so far focused on working with neurodivergent adolescents, as well as outdoor/environmental education. I've recently worked at J.M. Feltner Memorial 4-H Camp as an environmental education intern, as well as being on camp staff for the past 3 summers.

As someone who grew up in Lexington and participated in Fayette County 4-H, I'm extremely excited to be a part of our 4-H team and work for the program that did so much for me as a youth in 4-H. Can't wait to meet and work with everyone!

Fayette County 4-H

 **Get Ready for the 2025–2026 Program Year!** 

 **Enrollment Opens September 1st**

Visit: <https://bit.ly/fayettecoenroll>

 **Fill out the PIE form to enroll your child(ren).**

Fayette County 4-H Livestock Skillathon

AGES: 9-18

State Livestock Skillathon
February 21, 2026

The Kentucky 4-H Livestock Skillathon is a hands-on, educational contest held annually, typically in February, at Western Kentucky University's L.D. Brown Agricultural Exposition Center. It's designed to test youth on practical livestock knowledge and skills. Weekly and/or Biweekly practices (Sept.- Feb.) held at the extension office and farm visits to practice for the contest.

10 Ways to Volunteer with 4-H

No matter how much time you have, volunteering with 4-H makes a difference by helping youth explore and discover the skills they need to lead for a lifetime. There are lots of ways to get involved! To learn more, visit 4-H.org/Volunteer, or contact your local 4-H office listed below.

Please note, your volunteer experience and/or opportunities may be happening virtually or in-person. Contact your local 4-H office listed below for more information.

1 Help youth lead a club

- Assist a youth club leader with organizing meetings, speakers, and other logistics.
- Assist and/or mentor a 4-H volunteer who is serving as a project leader.

2 Teach a skill

- Organize a club, or share your skills by teaching a club meeting workshop, devoted to your area of specialty.

3 Judge projects

- Serve as a judge for 4-H exhibits, competitions or performances, providing encouragement and suggestions for improvement.

4 Plan or help at an event

- Volunteer at a county/parish special event; from set-up or clean-up to serving food or taking registrations, there are a lot of ways to get involved.

5 Serve on an advisory board/committee

- Sit on a local advisory or county governing board to help determine program priorities.

6 Help with a specific 4-H project

- Advise a 4-H member in their project work: help youth identify and set goals, create and implement a plan, and reflect on what they learned and would do differently next time.

7 Assist with program delivery

- Volunteer at an after school program, a summer program, camp program event or club meeting.

8 Volunteer on a fair organizing committee

- Volunteer at a local fair – be inspired by the talents and creativity of the next generation while promoting the country's largest positive youth development organization!
- Work in the food booth or help in the 4-H exhibit hall or at the 4-H show ring.

9 Utilize your professional skills

- Share your technical skills and knowledge to develop subject matter for curriculum/project sheets.
- Utilize your professional skills to assist with creating marketing tools, graphic art, word documents, webpages, videos, online training modules, etc.
- Intern at your local Extension office with the 4-H program, a great resume builder.

10 Share your experiences

- Share your hobby/passion – inspire a young person as a guest speaker or short-term instructor.
- Share your career path – invite a 4-H'er to shadow you for the day.
- Share your educational path/give a testimonial – how did you get to where you are? (If you are a college student – how did you choose your school, what are you pursuing, what are you aspiring to do?)
