Hello Everyone,

Spring is finally here, and with it comes a sense of renewal and growth. As the flowers bloom and the weather warms, we're excited about everything this season brings. From the last club meetings of the year to our upcoming summer camps, there's a lot to look forward to.

Spring is a time for fresh beginnings, and we're embracing the season with open arms. Whether you're enjoying the outdoors or simply noticing the changes around you, it's the perfect time to reconnect with nature. It's also a great reminder of the importance of taking care of our environment. Let's make the most of these longer days by getting outside and soaking in the beauty around us!

As we approach the end of the season, don't miss the final club meetings of the year! It's been a fantastic time connecting with all of you, and we're excited to wrap up the season with some engaging discussions and fun activities.

Check out the meeting dates and join us for the last few gatherings—we'd love to have you there! 4-H Camp is just around the corner, and there are still a few spots available! Camp is a wonderful way for kids and teens to learn about the environment, group living, and the world around them through hands-on activities and outdoor adventures.

If you want your child to be a part of this amazing experience, now is the time to sign up! Spaces are filling fast, so don't wait too long to secure a spot.

We can't wait for all the fun and learning that lies ahead this spring and summer. We hope to see you at the last club meetings and, of course, at our upcoming camp!

Enjoy the season and all that it brings!

About Our Event

Kentucky 4-H Teen Conference is a comprehensive leadership development event tailored for high school 4-H members. This conference is designed to provide youth with a multifaceted experience that combines educational workshops, leadership training, community service, and social activities.

JOIN US!

Manda Clark
Amanda.clark@uky.edu

Event Highlights

Majors

These workshops are held on the University of Kentucky campus, offering a unique opportunity for youth to experience college life and explore the academic resources available at UK.

Leadership Minor

Focuses on developing essential leadership skills through targeted activities and discussions

Day of Service

Participants engage in community service projects throughout Lexington

Social Activities

These activities include CLOVER Fest, a formal dance, dorm life experience, and area night-out events. These events provide a fun and relaxed environment for youth to connect with their peers.
